Special Features:

- Bayridge is an ideal size for a secondary school. It is large enough to offer a diverse program to all students regardless of their intended pathway beyond secondary school, and yet small enough to ensure each student feels well connected to the school.
- Bayridge has an excellent athletics program producing numerous athletes playing at the Varsity level, semi-professional, and professional.

Bayridge Secondary School - Statement of Beliefs

At Bayridge Secondary School, the staff believe in and have a responsibility toward our students and one another. We feel that at the centre of this responsibility rests a commitment to the principles of success, community, and tradition. The following Statement of Beliefs embraces this commitment by outlining the key beliefs underlying each of these points.

SUCCESS Matters:

The staff of Bayridge Secondary School believe in a model of success that...

- ✓ Supports students in their academic and personal achievements
- ✓ Balances educational and personal priorities
- ✓ Develops a safe and positive learning environment
- ✓ Encourages professional growth through creative and reflective practice

COMMUNITY Matters:

The staff of Bayridge Secondary School believe that an effective school community is one that...

- ✓ Encourages each member to take pride in their contributions
- ✓ Promotes a spirit of belonging within an inclusive, diverse and balanced environment
- ✓ Models the qualities of Respect, Optimism, Courage and Kindness
- ✓ Prepares students to participate meaningfully in local and larger communities through self-advocacy and critical citizenry

TRADITION Matters

The staff of Bayridge Secondary School believe in a Tradition of Excellence that...

- Celebrates and builds upon the academic, artistic, and athletic accomplishments of the past.
- Strives for a constancy of caring amid a changing society.
- Serves as a model for present decisions and future directions by recognizing that our actions today create the traditions of tomorrow.
- Supports aspirations for a better tomorrow by building upon past and present successes.
