Overview:

- Welcome to Sydenham High School (SHS), home of the Golden Eagles! Sydenham offers a wide variety of learning opportunities for all students, through a safe and caring learning environment. The school places a strong emphasis on student success through a variety of pathways (world of work, apprenticeship, college, university), as well as focusing on building character in all students. We offer Alternative Education, Co-Operative Education, Dual Credits, Focus Programs, Ontario Youth Apprenticeship Programs and Specialist High Skills Major. There are many extra-curricular activities available to students.

- Sydenham High School is home to students from the surrounding area in grades 9 – 12.

- Sydenham High School was established in 1872 and has a rich tradition of heritage for the surrounding area. Strong Alumni, sports and clubs make Sydenham HS a great choice for international students looking for a truly Canadian school experience.

Who we are at Sydenham High School:

We are dedicated to: encouraging and challenging students to achieve academically to the best of their abilities; engaging students to develop intellectually, physically and socially; assisting students' transitions to further education, to productive employment and to responsible citizenship; and providing the time and energy to help students become accomplished citizens.

Our motto is "Spirit, Heritage and Success." Our spirit evolves from the tremendous enthusiasm generated from students and staff. Heritage is the tradition of excellence in academics, as well as a positive learning environment where students are encouraged to take controlled risks. Success is directly connected to dedication, hard work and effort that students and staff contribute to classroom and extra-curricular activities.

Our staff is committed to providing an accepting and safe learning environment for all students. We provide students with a variety of co-curricular activities such as clubs, athletic programs, special events and other opportunities to enrich their high school experience. We highly recommend that all students get involved in the school's co-curricular program: to meet new friends, discover more about themselves and be more connected to our school.
