

GRANDVIEW SCHOOL

COMMUNITY

The Town of Grandview is located in a picturesque valley between Riding Mountain National Park and Duck Mountain Provincial Park. With several green spaces and the Valley River running through the town, students that love to be outdoors will enjoy everything about Grandview. There are various recreational amenities in the area that provide plenty of fun and exciting activities to do. Take a stroll down their endearing downtown area and you will quickly realize that Grandview is your typical Canadian town where everybody knows each other and it will take no time for any international student to fit right in. If you prefer the charm of a small town to a big city, then this community of about 1000 people could be the place for you! Visit the Town of Grandview website at www.grandviewmanitoba.com for more information on what the community has to offer.

SCHOOL

Students that go to Grandview School will enjoy a true Canadian experience. This school hosts students from kindergarten to grade 12, facilitating a sense of community that is much different from other schools. High school students that attend Grandview School will learn about leadership, mentoring and social responsibility in authentic and meaningful ways. Additionally, newly arriving international students integrate easily because of the non-intimidating, inviting school atmosphere. This school also has many opportunities for students to be involved in extracurricular activities, as well as several community-connected programs. The dedicated staff at Grandview School will make sure students feel at home and supported.
